Dear Dinh:

I'm writing to thank you for your help in resolving my problems with the IRS. I've been changing CPA's and attorneys every year for 23 years, and each year it got worse. Consequently, the IRS received the judge's order to close me down. It was you who stopped the IRS and got me settled at \$0.12 on the dollar.

Thanks to your professional counsel and genuine concern for my case I am now not financially burdened by the IRS. With my BEST interest at heart, you have shown professionalism, warmth and courtesy.

Sincerely,

Billy J. Shanks
